Dear Mr. Bower:

On behalf of the Continuing Legal Education Department of the New York State Bar Association, I want to sincerely thank you for your participation in the "Mold: A Comprehensive Primer on Claims and Litigation in New York" Seminar. We are very grateful for your contribution to this program.

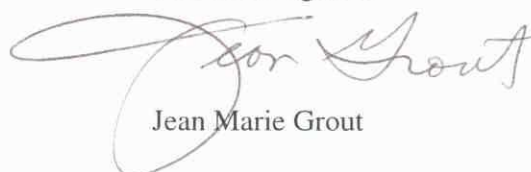

The seminar had 101 pre-registrants. In addition 11 registered on site but 6 of the pre-registrants did not attend, for a total of **106** attendees. Most registrants gave the program an "Excellent" or "Good" rating. There were few comments on the evaluation sheets, in general. One person did write this on the evaluation sheet: "**Trade Winds and Thomas Bower—their portions of the session were the most informative and they were good speakers.**" Someone else wrote "**great**" by your name. Another attendee wrote "**very good**" on the evaluation sheet. Finally, one attendee wrote this nice comment: "**The program was very well organized; the chairperson did an excellent job; the speakers were excellent; and the material was presented at a methodical pace, and the material was interesting. Also, I found the slides a great help!!**"

As a token of our appreciation for your efforts on behalf of the seminar, I am pleased to enclose one complimentary pass to a future NYSBA CLE seminar, as well as a certificate expressing the Bar Association's appreciation.

To insure that you receive MCLE credits for your participation in this seminar, please fill out the enclosed form and promptly return it to us in the enclosed envelope. If you submitted a substantial writing for the coursebook and choose to pursue writing credits instead of speaker credits, fill out the enclosed form and submit a copy of the coursebook cover, a copy of the coursebook Table of Contents (to verify publication), and a copy of the writing to the Office of Court Administration. Please also return the enclosed NYSBA form to us, however, because you are also eligible for attendance credits. We will send you a certificate for the attendance credits you earned.

Thank you again for your valuable contribution to this program. If you ever have an idea for a marketable seminar topic or if I may ever be of assistance, please do not hesitate to call me. I would be pleased to work with you again on a future program.

With best regards,

Jean Marie Grout
